Dear nancy,

I had a great time at the outdoor musick festival. The hole group played so well. I especially liked the selecshun played by the alectric guitars. Playing without a conductor must be hard. It was difficult to see who gave the signle to start. When it began raining I wondered what they would do to protek the instruments. Luckily I had a raincoat which kept me dry! Thanks again for giving me your extra ticket.

Your friend,
Kim
